A Brief Method of ٓ.HORIZONTALRULE ٓ Hajj

Excellence of Durūd Sharīf

The Prophet of mankind, the peace of our heart and mind, the most generous and kind says, ‘When the day of Thursday comes, Allah sends angels who have papers made of silver and pens made of gold; they write as to who recites Durūd upon me in abundance during the day of Thursday and the night of Friday.’ (Kanz-ul-‘Ummāl, V1, P-250, Ḥadīth 2174)

Excellence of Ḥajj

Allah says in the Holy Quran (in Part 2, Surah Al-Baqarah, Ayah 196)

Translation from Kanz-ul-Iman

And Complete the Ḥajj and ʻUmrah for Allah
Two Sayings of the Most Exalted Prophet

1. The Holy Prophet  ﷺ said, “The one who performed Ḥajj and did not commit Rafas (indecent talks) and transgression, returned as free of sins as he was on the day when he was born from his mother’s womb.” (Bukhāri Sharīf)

2. The Ḥājī will intercede for his 400 family members and he will be freed from sins as he was on the day when he was born from his mother’s womb. (Musnad Al-Bazzar with reference to Sayyidunā Abū Mūsā)

The Types of Ḥajj

There are three types of Ḥajj:

(1) Qirān (2) Tamattu’ (3) Ifrād

Qirān

It is the greatest type of Ḥajj. The performer of this Ḥajj is called a Qārin. For this Ḥajj, the same Iḥrām is put on for Ḥajj as well as ‘Umrah. After performing the ‘Umrah, the Qārin cannot get Ḥalq or Qaṣr\textsuperscript{1} done; rather, he will remain in the state of Iḥrām as usual. On the 10\textsuperscript{th}, 11\textsuperscript{th} or 12\textsuperscript{th} of Żul-Ḥajjah, after having Ḥalq or Qaṣr done and making sacrifice (Qurbānī), he will remove his Iḥrām.

\textsuperscript{1} Ḥalq implies getting all the hair of head shaved while Qaṣr means getting every hair of one fourth part of head shaved equal to at least an inch in length.
Tamattu’

The performer of this type of Ḥajj is called a Mutamatte’. Those coming from outside the Miqāt in the months of Ḥajj can perform this Ḥajj. For example, the people from Indo-Pak usually perform Tamattu’. The convenience that lies in it is that the Mutamatte’, after performing ‘Umrah, can get Ḥalq or Qaṣr done and remove his Iḥrām. Then, on the 8th of Zu’l-Ḥajjah or before it, Iḥrām of Ḥajj is put on.

Ifrād

The performer of this type of Ḥajj is called a Mufrid. This type of Ḥajj does not include ‘Umrah. Only the Iḥrām for Ḥajj is put on. The residents of Makkaḥ and Ḥillī i.e. those living between the Ḥaram area and the Miqāt (e.g. the people of Jeddah) perform Ḥajj e Ifrād. (Those coming from other countries may also perform Ifrād)

Intention for Ḥajj-e-Qirān

A Qārin should make intention for both Ḥajj and ‘Umrah in the following words:

أَلْهُمُّ أَرْيَأُ الْحُجَّةَ وَأَحْمَدُ مَنْ حَمَّدَهُ هُمْ مَنْ تَقْبَلْ مَنْ مَثِبْتِ

تَوْيِكَ الْحُجَّةَ وَأَحْمَدَ مَنْ آَمَنَ مُعَذَّرُكَ بِيَهْمَا عِلْصَامًا يَلُى تَعَالَىٰ

Translation: Yā Allah! I make the intention of Ḥajj and ‘Umrah, make both of them easy for me and accept them from me.
I have made the intention of Ḥajj and ‘Umrah and have worn the Iḥrām of both just for the sake of Allah.

**Intention for Ḥajj**

After putting on the Iḥrām of Ḥajj, Mufrid should make the following intention. Similarly, after putting on Iḥrām, Mutamatte’ should also make the following intention on 8\textsuperscript{th} of Żul-Ḥajjah or before it.

tālīf hā yā al-ḥāj fīṣṭa lī wafāqal māṣīta

wa ‘ālih bārik li fihih naqit al-ḥajj wa ‘āhmad bihi lī ‘aṭanāli

Translation: Yā Allah! I make the intention of Ḥajj, make it easy for me and accept it from me. Help me in offering it and make it blessed for me. I have made the intention for Ḥajj and have worn its Iḥrām for the sake of Allah.

**Madani Pearl**

Intention means the willingness of heart. It is better to make intention verbally. Intention in Arabic will be valid provided the maker of intention comprehends its meaning. Otherwise, make intention in your own language. Presence of intention in heart is a must in all cases.

**Labbaḵ**

After making the intention (whether it is the intention of ‘Umrah or that of Ḥajj) it is essential to utter Labbaḵ at least once; uttering it thrice is preferable. Labbaḵ is as follows:
Leaving for Minā on 8th Žul-Ḥajjah

- If possible, go on the journey of Minā, ‘Arafāt and Muzdalifah etc. on foot as 70 millions good deeds will be written for your every step till you return to Makkah-e-Mukarramah.

- Utter Talbiyah and Durūd Sharīf abundantly all the way. As soon as Minā Sharīf appears, recite Durūd Sharīf and then the following Du’ā:

\[ \text{اللهُ هَذَا يَسِيرُ فَقَمَّنَ عَلَّيْهِ وَكَمْ أَسِيرُ بِهِ عَلَّى أَوْلِيِّيَّ أَيَّاكَ} \]

- You have to offer five Šalāh (from Šalā-tul-Zuhr of 8th Žul-Hajjah to Šalā-tul-Fajr of 9th Žul-Hajjah) in Minā Sharīf as the Holy Prophet also did the same.

Du’ā of the Night of ‘Arafaḥ

\[ \text{سُبْحَانَ الَّذِيُّ صُمِّمَ في السَّمَاءِ وَخَرَّ شَفَّاهُ صُبْحَانَ الَّذِيُّ فِي الْأَرْضِ مُقْطَطُهُ سُبْحَانَ الَّذِيُّ صُبْحَانَ الَّذِيُّ فِي الْبَخْرِ سَيْلِهِ صُبْحَانَ الَّذِيُّ فِي الْقَارِ سَلَطَانُهُ سُبْحَانَ الَّذِيُّ فِي} \]
Leaving for ‘Arafāt on 9th Żul-Ḥajjah

On 9th Żul-Ḥajjah, after offering Fajr Ṣalāh in its Mustahab time, keep reciting Talbiyah, Ţikr and Du’ā until the sun rises and appears on the mount Šabīr which is situated opposite Masjid Khaif Sharif. Now, proceed towards ‘Arafāt Sharīf with a thudding heart. Further, leaving Minā Sharīf, recite the following Du’ā once:

Du’ā of the Way to ‘Arafāt

(Recite Durūd Sharīf once before and after the Du’ā)
In ‘Arafat Sharīf, the Ṣalāḥ of Zuḥr and ‘Aṣr are offered in combination during Zuḥr timings but there are certain conditions for it. You have to offer Zuḥr Ṣalāḥ in Zuḥr timings and ‘Aṣr Ṣalāḥ in ‘Aṣr timings with congregation in your camp.

**Supplications of ‘Arafat Sharīf**

According to a Ḥadīth, the one reciting following Kalimaḥ of Tawḥīd (Oneness), Sūrah-e-Ikhlāṣ and the below-mentioned Durūd Sharīf 100 times each, in the afternoon, in his Mawqīf (the lodging area), he is forgiven. In addition, if he intercedes for all those present in ‘Arafat Sharīf, his intercession will be recognized.

1. Recite this Kalimaḥ of Tawḥīd (Oneness) 100 times:

٠ِلَّٰهُنَا إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ

٠ِمَلِكُ وَلَدَّٰهُ مَحْمُودٌ لَّهُ وَهُوَ عَلَيْهِ رَحْمَةٌ وَقَدِيرٌ

2. Recite Sūrah-e-Ikhlāṣ 100 times.

3. Recite this Durūd Sharīf 100 times:

٠ِلِّلَّهِ الْمَلِكِ وَلَدَّٰهُ مَحْمُودٌ لَّهُ وَهُوَ عَلَيْهِ رَحْمَةٌ وَقَدِيرٌ

٠ِبِرَاهِيمَ وَعَلَى إِبْرَاهِيمِ الْمَلِكِ وَلَدَّٰهُ مَحْمُودٌ لَّهُ وَهُوَ عَلَيْهِ رَحْمَةٌ وَقَدِيرٌ
A Brief Method of Hajj

Recite the following three times:

آَلْلَهُ أَكْرَمَ بِرُوُقِهِ وَأَحْمَدَ

Recite Kalima of Tawḥīd once and then recite following Du’ā three times:

آَلْلَهُ أَحْمَدَ بِهِمَا ذَهَبْتُنِي وَأَعْطِنِي عَلَى الْآخِرَةِ وَالأُولِيَّةِ

It is Sunnah to Make Du’ā in ‘Arafāt whilst Standing

Remember! The Ḥāji does not have to offer Maghrib Ṣalāh in the field of Arafāt; instead, Ṣalāh of Maghrib and Ḥāji will be offered in combination in Muzdalifah in the timing of Ḥāji Ṣalāh.

Departure for Muzdalifah

When it is sure that the sun has set completely, move from ‘Arafat Sharīf to Muzdalifah. Keep reciting Żikr, Durūd and Labbaik all the way. Yesterday, the rights of Allah were forgiven, forgiveness for the rights of people is promised here, (in Muzdalifah).
Method of Offering Maghrib Ṣalāḥ and ‘Ishā Ṣalāḥ in Combination

Here (in Muzdalifah), you have to offer both Ṣalāḥ’s with single Aẓān and single Iqāmat. Therefore, after Aẓān and Iqāmat, first offer three Farḍ Rak’āt of Maghrib Ṣalāḥ, then, immediately after performing the Salām of Maghrib Ṣalāḥ, offer Farḍ of ‘Ishā Ṣalāḥ. Thereafter, offer Sunan of Maghrib and then offer Sunan and Witr of ‘Ishā.

Stay in Muzdalifah

Spending night in Muzdalifah is a Sunnat-e-Muakkada but stay over there is Wājib. The stipulated time for stay at Muzdalifah is from Șubh-e-Šādiq (dawn) up to sunrise. If one spends even a single moment in Muzdalifah within the described duration, his stay in Muzdalifah will be valid. Obviously, the one who offers Fajr Ṣalāḥ within Fajr timings in Muzdalifah, his stay is valid.

Rami; First Rite of 10th Žul-Ḥajjah

On returning to Minā Sharif from Muzdalifah, come towards Jamra-tul-‘Aqabah (Big Satan). Today (i.e., 10th Žul-Ḥajjah), grits (small stones) will be hurled at only one Satan (the big one).
A Brief Method of Ḥajj

**Sacrifice (Qurbānī) of Ḥajj**

- After hurling grits at the big Satan on 10th Žul-Ḥajjah, come to the slaughter area and perform Qurbānī (sacrifice of animal). This Qurbānī is Wājib for a Qārin and Mutamatte’ in gratefulness to Ḥajj even if he is Faqīr (poor).
- This Qurbānī is Mustaḥab for a Mufrid even if he is wealthy.
- After performing Qurbānī, get Ḥalq or Qaṣr\(^1\) done.
- Remember! Performing these three acts in order is Wājib.
  1. First: Ramī 2. Then: Qurbānī 3. Then: Ḥalq or Qaṣr
- As Qurbānī is not Wājib for Mufrid, he may get Ḥalq or Qaṣr done after Ramī.

**Ramī of 11th and 12th of Žul-Ḥajjah**

On 11th and 12th of Žul-Ḥajjah, grits (small stones) are to be hurled at all the three Satans after the commencement of Žuhur timings; first, hurl grits at Jamra-tul-Oulā (Small Satan), then Jamra-tul-Wusṭā (Middle Satan) and then Jamra-tul-ʿAqabah (Big Satan).

**Ṭawāf-uz-Ziyārah**

- Ṭawāf-uz-Ziyārah is the second pillar of Ḥajj.
- It is preferable to perform Ṭawāf-uz-Ziyārah on 10th of Žul-Ḥajjah. If it cannot be performed on 10th, it can be

\(^1\) Ḥalq implies getting all the hair of head shaved while Qaṣr means getting every hair of one fourth part of head shaved equal to at least an inch in length.
performed on 11th or 12th as well but it must be performed before the sunset of 12th.

- If the sunset of 12th Žul-Ḥajjah takes place before the completion of four rounds of Ṭawāf-uz-Ziyārah, Dam (a type of expiation) will become Wājib.

- However, if a woman undergoing menses or post-natal bleeding becomes pure after 12th of Žul-Ḥajjah, she should perform it now; Dam will not be Wājib out of delay for these reasons.

- If a woman going through her menstrual periods has a seat reserved in plane etc. for return and she has not yet performed Ṭawāf-uz-Ziyārah, she should get the reservation of her seat cancelled, if possible, and perform Ṭawāf-uz-Ziyārah after attaining purity. If the cancellation of reservation causes difficulty for her or her travelling companions, she can perform Ṭawāf-uz-Ziyārah in the same state because of compulsion, but Badanaḥ (the sacrifice of a cow or camel) will be due to her. Further, it is also necessary for her to repent as entering the Masjid in the state of impurity is a sin. If she succeeds in repeating Ṭawāf-uz-Ziyārah after attaining purity from menses by the sunset of 12th Žul-Ḥajjah, expiation will lapse, i.e. Badanaḥ will no longer remain due to her. If she manages to repeat Ṭawāf-uz-Ziyārah after purity after 12th Žul-Ḥajjah, the expiation of Badanaḥ will lapse but that of Dam will still be due to her.
A Brief Method of Hajj

Ţawāf-e-Rukhṣat (Farewell Ţawāf)

After performing Hajj, when an Āfāqī Ḥājī intends to return back to his country, Ţawāf-e-Rukhṣat becomes Wājib for him. If he does not perform it, Dam will become Wājib for him. [An Āfāqī Ḥājī is the one who comes from beyond the Miqāt e.g. from Pakistan, India etc.]

Thirteen Madani Pearls

1. The Ḥājī who gets out of the field of ʿArafāt before sunset, Dam will become Wājib for him. If he re-enters the limits of ʿArafāt before sunset, Dam will lapse (no longer remain Wājib).

2. From Șubh-e-Şādiq (dawn) of 10th Żul-Hajjah to sunrise is the stipulated time for stay at Muzdalifah; if one stays even for a moment within this duration, his Wājib (of staying at Muzdalifah) will get offered. If even a single moment was not spent in Muzdalifah during the stipulated time, Dam will become Wājib. Similarly, the Wājib of the one leaving Muzdalifah before Șubh-e-Șādiq (dawn) will get missed and, therefore, Dam will become Wājib for him. However, if a woman, patient, very old or weak person left Muzdalifah (before time) in compulsion for fear of being harmed by the influx of people, no expiation will be due to such people.

3. Though the time for the Ramī of 10th Żul-Ḥajjah is from sunrise to Șubh-e-Şādiq (dawn), performing Ramī from
sunset to Ṣubḥ-e-Ṣādiq (dawn) is Makrūḥ. However, if there is a valid reason, e.g. if a shepherd does Ramī at night, there is no harm in it.

4. On 10th of Żul-Ḥajjah, if a Qārin or Mutamatte’ gets Ḥalq or Qaṣr done after carrying out Ramī but before performing Qurbānī, Dam will become Wājib for him. A Mufrid may get Ḥalq or Qaṣr done after Ramī as Qurbānī is not Wājib for him; instead, it is just Mustaḥab for him.

5. It is Wājib to do Qurbānī of Ḥajj-e-Tamattu’ or Ḥajj-e-Qirān as well as Ḥalq/Qaṣr within the limits of Ḥaram. If both these rites are performed outside the limits of Ḥaram, two Dam’s will become Wājib for Mutamatte’ and four Dam’s will become Wājib for Qārin as there is double expiation for Qārin on every offence.

6. The time for the Ramī of 11th and 12th starts from the declining of the sun (i.e. immediately after the commencement of the timings of Zuhr Ṣalāḥ). Countless people perform Ramī in the morning; this is wrong and such Ramī is invalid. If the one carrying out Ramī before the declining of sun on 11th or 12th did not repeat it on the same day, Dam would become Wājib for him.

7. Although the time for the Ramī of 11th and 12th is from the declining of sun to Ṣubḥ-e-Ṣādiq (dawn), doing Ramī after sunset without a valid reason is Makrūḥ.

8. No one, whether a man or a woman, can depute anyone else to perform Ramī on his/ her behalf unless he/she falls
ill to such an extent that he/she is unable to get to the Jamrāt even by conveyance. If a man or woman is not sick to the above-mentioned extent, even then, he/she deputes anyone else to perform Ramī on his/her behalf instead of performing it in person, Dam will become Wājib for him/her.

9. If the Šubh-e-Šādiq (dawn) of 13th Žul-Ḥajjaḥ takes place whilst a Ḥāji is still within the limits of Minā Sharīf, performing the Ramī of 13th will also become Wājib for him. If he went without performing Ramī, Dam would become Wājib for him.

10. If someone went to his country without performing Ṭawāf-uz-Ziyārah, mere expiation cannot make up for it as a pillar of Ḥajj was not performed. It is mandatory for him to come back to Makkah-e-Mukarramaḥ and perform Ṭawāf-uz-Ziyārah. As long as he does not perform Ṭawāf-e-Ziyārah, his marital relations will not be Ḥalāl (permissible) with his wife even if several years pass.

11. If an Āfāqī woman undergoes menses at the time of her return, Ṭawāf-e-Rukhṣat will no longer remain Wājib for her; she may go to her country. There is no need to pay Dam.

12. Sa’ī may be performed without Wuḍū but performing it in the state of Wuḍū is Mustaḥab.

13. In case of performing ‘Umrah a number of times, it is Wājib to get Ḥalq/Qaṣr done every time to remove Iḥrām. If head is already shaved, passing razor on it is still Wājib.
Visit to Madīna Munawwarāḥ

Mahinay ka safar hay aur mayn namdīdah namdīdah
Jabīn afsurdah afsurdah, Qadam laghzīdah laghzīdah

Come at Bāb-ul-Baqī’

Come at Bāb-ul-Baqī’ reverentially and rationally, shedding tears; if weeping condition cannot be attained, at least try to adopt a weeping posture. Now recite أَلْحَلْوَةُ وَالشَّلاَمُ عَلَيْكَ يا رَسُولُ اللهُ then, halt a bit as if you are seeking permission from the most Exalted Prophet ﷺ to enter his majestic court. Now recite بَلْ الْلَّهُ عَلَى الْمَرْجِيِّ مُنْصَرًا and place your right foot into the مَسْجِدِ شَرِيفَ and enter مسجد النبی ﷺ extremely reverentially.

The heart of every true Muslim is aware of the utmost reverence and veneration that is Farḍ on this occasion. Keep your hands, feet, eyes, tongue and heart free from engaging in anything else and move ahead weeping. Do not look here and there. Do not look at decors and carvings of the Masjid. Just one thought and only one will must preoccupy that an absconded culprit is going to enter the merciful court of his lord ﷺ.

Chalā hūn aik mujrim ki ṭaraḥ mayn jānib-e-Āqā
Naẓar sharmindah sharmindah, badan larzīdah larzīdah
A Brief Method of Hajj

If it is not a Makrūḥ time (for Șalâh) and your overwhelming sentiments also permit you, offer two Rak‘āt Șalâh as Taḥiyyatul-Masjid as well as a gratitude to the blessed court.

Now, with immense reverence and devotion, come at the Muwājaĥâ Sharīf from the direction of the blessed feet facing the Golden Grille lowering head and eyes, weeping and trembling with shame of sins but having hope of mercy and blessings from the most merciful Prophet ﷺ. Similar etiquette has been mentioned in Fatāwā-e-‘Alamgīrī etc. i.e. Stand in the court of the Holy Prophet as one stands in Șalâh. Remember! The Prophet of Madīna ﷺ is alive just like his apparent life in his sacred Mausoleum and he is seeing you and he is aware of even the thoughts of your heart. Beware! Avoid kissing and touching the Golden Grille as it is contrary to manners because our hands are not worthy of touching the Grille. Hence, keep away by 2 yards. Is it not a great privilege that the most beloved of Allah ﷺ.
has let you come close to the Muwājahāh Sharīf and his graceful sight is now towards you!

_Didār kay qābil to kahān mayrī nazār ĕhay_  
_Yeh tayrā karam ĕhay kay rukh tayrā idhr ĕhay_

**Manners of Saying Salām in the Blessed Court of the Most Exalted Prophet**

Now, with immense reverence and devotion, say Salām in following words in melancholic and moderate voice:

السلام عليكم يا رسول الله السلام عليكم ياخيرو الخلق لله  
المسلم عليكم ياشفيع المسلمين السلام عليكم وعلى أليك واصحاباكم وأمتكم أجمعين.

**Salām in the Court of Šiddiq-e-Akbar**

Now, move towards east (i.e. towards your right) by about half yard (in front of the small hole) and say Salām whilst standing and both hands folded in front of the blessed face of Šiddiq-e-Akbar.
Salām in the Court of Fārūq-e-A’żam

Now, move again towards the east by half yard and say Salām to Fārūq-e-A’żam.

Again Say Salām Jointly in the Court of both Shaikhaīn

Now, retreat towards the west i.e. towards your left side by almost half a feet, stand between both small holes and say Salām jointly in the courts of Șiddīq-e-Akbar and Fārūq-e-A’żam.
All these visits are occasions for the acceptance of supplications.

**Don’t Turn Your Back towards Golden Grille for the Sake of Du’ā**

Whenever you get the privilege of being present in front of the Golden Grille, do not look here and there; looking inside the grille is a great daring. With back towards Qiblah, keep standing two yards away from the Grille and say Salām whilst facing towards Muwājahah Sharīf. Make Du’ā whilst facing Golden Grilles; if you turned towards the Ka’bah, your back will be towards the Ka’bah of Ka’bah.

**Madanī Request**

Keep your mobile phones off during Ṭawâf as well as when you are inside Masjidain-e-Karīmaín.

**Ruling:** Musical tune of phone is impermissible and sin even outside Masjid. Repent of it forever.

**Fragrant Madanī Pearl**

The sign of a recognized Ḥajj is that the Ḥājī returns having become more pious than before.
Pay Attention

It is Farḍ to learn essential rulings of Ḥajj for the one for whom Ḥajj has become Farḍ. As this brief booklet consists of hints only, it is absolutely insufficient. It is useful only for those who have already learnt detailed rulings of Ḥajj. Therefore, in order to learn rulings of Ḥajj, go through Rafīq-ul-Ḥarāmaīn and contact Islamic scholars to understand required rulings.

An Introduction to Dawat-e-Islami

The Prophet of mankind, the peace of our heart and mind, the most generous and kind says, “The one who recites Durūd upon me one time, Allah will send His mercies on him ten times.”

The beloved Prophet says, “He who loved my Sunnah loved me and he who loved me will be with me in the Heaven.”

The Holy Prophet said:
‘At the time of heresy in my Ummaḥ, whoever adheres to my Sunnah, will be granted the reward of one hundred martyrs.’

(Mishkāt, P. 30)

Commenting on the foregoing narration, Mufassir-e-Shāhīr Hakim-ul-Ummat, Muftī Ahmad Yār Khān Na‘īmī says: “A martyr gets success as a result of just one attack of the sword but this servant of Allah keeps bearing the attacks of peoples’ taunts and derogatory remarks throughout his life. He bears everything for the pleasure of Allah, his Jihād is greater Jihād, like growing beard and refraining from interest etc. in this era.” (Mirah, V.1, P.173)

The Significance of Dawat-e-Islami

Allah says in the Holy Quran, Ayah 104 of Sūrah Āl-e-‘Imrān, Para-4:

وَلَاَتَّقِنُواْ ِبِسْتَكِكَةٍ أَمَّةٍ تُدْخِلُونَ إِلَى َٰخِيَالٍ يَأْمُرُونَ

وَبِالْمَعْرُوفِ وَيَنْهَؤُونَ عِنْ َالْمُنْكَرِ وَأَوْلَٰٓيَ ُهُمْ َالْمُفْلِحُونَ

And let there be such a group among you that may call towards goodness and command what is righteous and prevent evil. And the very same attained their goals.
Commenting on the foregoing Āyah, Mufassir-e-Shahīr, Ḥakīm-ul-Ummat Ḥaḍrat Mufti Ahmad Yār Khān writes in Tafsīr-e-Na’īmī, Vol.4, P72, ‘O Muslims! There should be one such movement amongst you, or you have to launch one such movement on permanent basis that calls all the impious people towards righteousness, all the disbelievers towards Islamic faith, all the transgressors towards piety, all the heedless towards awareness, all the ignorant towards Islamic knowledge and gnosis, all the reserved ones towards the pleasure of (divine) love and all those in oblivion towards consciousness. Similarly, this movement is to enforce correct beliefs, good manners and good deeds orally, by writings, practically, forcefully, softly and (a ruler to his subjects) strictly. Further, this movement is to prevent people from false beliefs, bad manners, bad deeds, evil intentions and evil thoughts by tongue, heart, deed, by writings and even by force (as the case may be).

All are Preachers

He further says: All the Muslims are preachers. It is Fard for all of them to inspire people towards righteousness and prevent them from evils.” In other words, every Muslim has to convey whatever he knows to other Muslims. In favour of his standpoint, Ḥaḍrat Mufti Ahmad Yār Khān Na’īmī quotes the following Ḥadīth. The Holy Prophet said: Convey on my behalf even if only one Ayah. (Sahih Bukhārī, V.2, P.462, Ḥadīth 3461)
Prayers will not be Answered

Hazrat Sayyidunā Hzayfah Bin Yamān 据报道 that the Holy Prophet سلام وتعالى said: “I swear by the One under whose omnipotence my life is! You must keep calling people towards righteousness and preventing them from evils; otherwise, Allah سلام وتعالى will send torment soon. Then, you will pray but your prayers will not be answered.’ (Jami’ Tirmiżī, V.4, P.69, Ḥadīth 2176)

Admonition of Divine Punishment

Hazrat Sayyidunā Jarīr 据报道 that he heard the Holy Prophet سلام وتعالى saying: “If sinful acts are being committed in a certain community and its people do not prevent sins despite being capable enough to do so, Allah سلام وتعالى will inflict torment on them before they die.” (Sunan Abī Dāwūd, V.4, P.164, Ḥadīth 4339)

The Establishment of Dawat-e-Islami

Dear Islamic brother! In every era, Allah سلام وتعالى sent such great personalities to the Ummaḥ of His beloved Prophet سلام وتعالى who excellently fulfilled the responsibility of calling people towards righteousness and preventing them from evils. Further, they inculcated in other Muslims the mindset that I must strive to reform myself and the people of the whole world. One of such great personalities is Amir-e-Ahl-e-Sunnat ‘Allamaḥ Maulānā Muhammad Ilyās ‘Aṭṭār Qādirī ﷺ.
who launched the Madani working of Dawat-e-Islami, a global non-political movement for the preaching of Quran and Sunnah, with some of his companions in Karachi in 1981 (1401 A.H.) He is acknowledged like the saints of the past due to his superb and matchless qualities such as fear of Allah عزّ وجلّ, deep love of the Prophet, zeal and determination for the revival and promotion of Sunnah, piety, forgiveness, perseverance, patience, thankfulness, humility, sincerity, asceticism, good-manners, total disinterest in the world, concern about the protection of faith, ambition to spread religious knowledge and guiding Muslims.

Through Dawat-e-Islami, he has caused a Madani revolution in the lives of millions of Muslims, especially the young men and women. Many wicked young men repented and adopted a pious way of life. Those previously not performing Salah not only started offering Salah but also many progressed even further becoming the Imams of Masjids; disobedient and rude offspring began to respect and obey their parents; those wandering in the dark valley of Kufr (disbelief) were blessed with the light of Islam; those dreaming of the sensual beauty of European countries became anxious and desirous of seeing the beauty of the Holy Ka’bah and the Green Dome of sweet Madina; those who were previously worried and grieved about their worldly matters got the Madani mindset of pondering over their hereafter; those fond of reading romantic and filthy novels got attracted to reading the books and booklets of Amir-e-Ahl-e-Sunnat دانش‌آموزانه الفقهیة and other ‘Ulamā-e-Ahl-e-
Sunnah; those loving to go on picnics for pleasure, started travelling with Madani Qafilahs for the pleasure of Allah; people whose aim was just to accumulate the wealth of the world adopted the Madani aim, ‘I must strive to reform myself as well as the people of the whole world.

1. A Christian’s Embracing of Islam

In 2007, a Madanī Qāfilaḥ of blind Islamic brothers boarded a bus to reach the intended Masjid. Some normal Islamic brothers (who were not blind) also travelled with this Madanī Qāfilaḥ.
Making individual effort, when the Amir of the Qāfilāḥ asked the name of the person sitting beside him, the person said: “I am Christian. I have studied about Islam and I’m impressed with Islam as well, but the character of today’s Muslims is a hindrance in the way of my embracing Islam. When you boarded the bus, I noticed that all of you were dressed in simple white clothes; all of you said ‘Salām’ as well while getting on the bus; even the blind participants of your Qāfilāḥ have worn white dress and green turban; all of you have beard too.’

Having listened to his comments, the Amīr of the Qāfilāḥ told him about Dawat-e-Islami’s Majlis for special Islamic brothers and Amīr-e-Aḥl-e-Sunnat’s great services for Islam. He also briefly introduced Dawat-e-Islami to that Christian. Thereafter, the Amīr of the Qāfilāḥ told him that the blind participants of the Qāfilāḥ were travelling for the reform of the impious Muslims (whose wicked character was a hurdle in the way of his embracing Islam). Listening to this, the Christian became so impressed that he recited Kalimaḥ and embraced Islam.

8. Jails

Persistent efforts are underway for the reform of prisoners as well. A Jāmi’a-tul-Madīna has also been established at Karachi Central Jail where prisoners are becoming scholars. Impressed

Further, these people are not only travelling with Madanī Qāsilah after being released but also leading their lives according to Sunnah. Those previously taking peoples’ lives are now presenting people with the pearls of Sunnah. As a result of the individual efforts made by Dawat-e-Islami’s preachers, non-Muslim prisoners are also embracing Islam.

**An Admirer of the Prophet 🕋️**

In order to properly function around the globe, Dawat-e-Islami has set up many Majālis (committees) all around the world, as part of its organizational structure. One of its many functional committees is ‘Majlis-e-Rābiţah bil ‘Ulamā-e-wal Mashāikh’ (a public relation committee for creating ties with Islamic scholars), which primarily consists of Scholars. One of its members went to a famous religious academy known as Jāmi‘ah Rāshīdiyā in Pir Jo Goth, Bāb-ul-Islam, in the province of Sindh, Pakistan. During the conversations with the Shaykh-ul-Ḥadīth, the contributions of Dawat-e-Islami in prisons came up. The Honourable Shaykh-ul-Ḥadīth shared one of the splendid stories about Dawat-e-Islami’s work in prisons, which he had personally experienced. Therefore, he stated that he knew a robber who was notorious in the suburb of Pir Jo Goth (a village in the province of Sindh, Pakistan). The police raided so many times to arrest him, but he often managed to escape. He was even apprehended many times but was released
on account of his connections with influential people. Eventually, he was apprehended for a crime in the city of Bāb- ul-Madīna, Karachi; for which he was convicted, and sent to prison. After serving his sentence, the robber came to visit the Shaykh. At first glance, the Shaykh could not recognize the robber, as he was always bareheaded and beardless. Now, the robber’s face was illuminating as he had grown a beard, and his head was gleaming as he was crowned with a green turban; showing extreme devotion and love for the beloved and blessed Prophet of Allah ﷺ. Marks of prostration on his forehead were indicating his adherence to Ṣalāh.

To end the Shaykh’s surprise, the robber said that he was blessed with joining Dawat-e-Islami during his imprisonment. The robber further stated that with the efforts and help of Islamic brothers he was able to free himself from the shackles of sins, becoming an admirer of the Noble Prophet ﷺ.

4. The whole Family Embraced Islam due to the Blessings of I’tikāf

An Islamic brother stated: A new Muslim (who embraced Islam as a result of the efforts of a Muballigh of Dawat-e-Islami) was blessed with the opportunity to take part in the collective I’tikāf that was held in the Memon Masjid of Kalyān (Maḥārāsiar, India) by Dawat-e-Islami in Ramaḍān (1426 A.H/2005). The Sunnah-inspiring speeches, cassette Ijtimā’āt, and Sunnah-inspiring sessions, all had a deep Madani impact on him. By virtue of the blessings of I’tikāf, he developed a passion to preach his blessed religion. His other family members were still wandering in the dark valley of disbelief. After attending the I’tikāf, he began making efforts for the reform of his family. He even invited Muballighīn of Dawat-e-Islami to his house to persuade his family to embrace Islam.

His parents, two sisters and brother embraced Islam and initiated into the spiritual Qādiriyyah Razaviyya order and hence became Murīd (disciples) of Ghauš-e-A’ẓam. By the grace of Allah! Amīr-e-Aḥl-e-Sunnat Ḥaḍrat ‘Allāmah Maulānā Muhammad Ilyās Qādirī is one of the great religious figures of the present time. By the blessings of doing Ba’at through him, millions of Muslims have not only repented of their sins but are also leading a peaceful life in conformity with divine commandments and...

**Drug Addiction was Discarded**

An Islamic brother from Nawâb Shâh states that the International Congregation of Dawat-e-Islami was going to be held and its preparations were underway with full zeal.

By virtue of the training of Madani environment, I had also made up my mind to spread righteousness and prevent evils. Therefore, I invited a young man to attend the international congregation of Dawat-e-Islami but he excused saying that he would not be able to attend the congregation due to an inexplicable reason. Seeking help inwardly from Allah ٢َٖ٠٠٠٠٠٠٠, I tried to persuade him describing the importance and excellence of travelling in the path of Allah ٢َٖ٠٠٠٠٠٠٠ and attending religious congregations. By the grace of Allah ٢َٖ٠٠٠٠٠٠٠, he got ready to attend congregation with us. Having reached the congregation, he remained at his ease for a while, but then suddenly, his condition deteriorated to such an extent that he insisted to go back. However, as a result of temporary medical treatment and
the individual efforts of Islamic brothers, he became satisfied and did not leave the congregation. In the congregation, he got blessings in abundance and wept bitterly during Du’ā. After the congregation, we returned. He met me after few months. When I enquired after him, he told me a strange thing that he was a drug-addicted and did not get relief unless he was injected. It was extremely difficult to discard drug-addiction. He thanked me for taking him to the Sunnah-inspiring congregation because of whose blessings he had got rid of the curse of drug-addiction. He further said that not only his health had improved but his many other problems had also been solved by the blessings of Dawat-e-Islami’s congregations.

I was Fashion-able

An Islamic sister from ‘Bāb-ul-Madīna’ (Karachi) states, “Before joining Dawat-e-Islami, I was a fashion-able girl. It was my routine to go to picnic points with short hair, long nails, trimmed eyebrows, skin-tight clothes and scarf around the neck. I was so fond of music that I would listen to songs on a small radio all the time. In weddings, I used to beat drum and sing songs. Though this way of life looked full of fun and glamour to me, I was unaware that it could cause trouble for me in grave and hereafter. At last, I learnt the correct way of leading my life. I learned this way of life in Dawat-e-Islami’s weekly congregation for Islamic sisters in Faizān-e-Madīna. I was so much impressed with Madani environment that I started attending congregations of Dawat-e-Islami regularly. I got rid of my previous sins permanently. Now I have started wearing Madani veil in order to cover myself according to Shari’ah. By virtue of taking admission to the Madrasa-tul-Madīna I have not only learnt the recitation of Holy Quran with correct pronunciation, but I have also started teaching the Holy Quran. At present, I am responsible of Dawat-e-Islami’s congregation held in our area. May Allah bless me with steadfastness in the Madani environment! Āmīn!
