

The Fatwa of Ibn-e-Baaz Brotherhood ties between the Saudis and the Jews

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

It has been reported in the Arabic magazine "Minarul Huda", published in Beirut, that the Saudi-Nadji Grand Mufti, Abdul Aziz bin Baaz has issued a Fatawa (Judicial Decree) stating that it is absolutely Ja'iz (permissible) for Palestinians to reconcile with Israel without any prior conditional arrangements.

Before Ibn-e-Baaz Fatawa, another Wahabi Mufti, Nasir-al Bani, has issued a Fatawa stating that the Intifada (Uprising) movement of the Palestinian Muslims is absolutely Haraam. The Fatawa also said that if the Palestinian Muslims did not stop the Intifada Movement and move out of the Israeli occupied land, then they would be classed as sinners. (Minarul Huda, Vol.34)
