

Conspiracy of Zionism

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

THE AL AZHAR UNIVERSITY RECENTLY DEMANDED THE BANNING OF THE DISTRIBUTION OF THE HEBREW TRANSLATION OF THE HOLY QURAN. THIS FACT BECAME APPARENT IN A VERY RENOWNED ARABIC MAGAZINE OF BEIRUT, "MANARUL HUDA."

The Islamic Research Faculty of the Al Azhar University demanded to ban the Hebrew translation of the Holy Quran and is also setting up a commission of enquiry comprising of teachers of Egyptian universities, those who are specialising in the Hebrew language, to examine this Hebrew translation which is mis-interpreting the meaning of the verses of the Holy Quran. This translation has been prepared by Hakam Yakub bin Israel. (*Manarul Huda, Beirut*)

The Jews are actively working to promote Zionism throughout the world and promoting studies by means of scholarships awarded to individuals to falsify historical events and distort holy scriptures or bend them to serve their aims. Some studies concentrated on the necessity of modernizing Arabic by changing its letters to Latin ones or by adding new letters. Recent studies have confirmed that those endeavours were made by Zionism to weaken the language of the Holy Quran and to deepen confessionalism and disunion in the Arab world by destroying the most crucial element of Arab unity.

The Holy Quran says: *"Thou will find the most intense of mankind in hostility to those who believe (to be) Jews and the idolaters."* (5:82) Ever since the Holy Prophet (*sallal laahu alaihi wasallam*) called for Islam, the Jews have also resisted Islam, using every possible material and moral means to undermine and doubt Islam, or to shake the solid society which the Prophet (*sallal laahu alaihi wasallam*) had built. They are collaborating with Orientalists, those who study Islamic religion and civilization with a view of destroying it and to replace it with the western material alternative. While we also know that the Church has always been hostile to Jews, since they believed that the Jews conspired to "kill" Hazrat Isa (*alaihis salaam*), the Jews and Zionists have worked on this factor for years to wipe out the enmity the Christians feel against the Jews. Today, even the Vatican has become loyal to their cause.

The Jews have known how to control and manipulate the international mass media to serve their case and to influence international public opinion, especially the western, guaranteeing greater public support for their schemes and greater domination over the destinies of people. In a speech delivered in New York, 1937, Adrian Arcand said: *"Through international mass media, the Jews wash your brains, imposing whatever they like, the world events to be integrated, not as they actually are."* (*Psychological War, Al-Omma Magazine, June 1985*)

Today, the Zionists have succeeded in wiping out all consequences of enmity felt before by the western world. They are easily meeting with the western thought which is hostile to Arabs and Muslims. They have adopted all the Orientalist studies characterized by enmity to Islam.

Shia'ism and Wahabism, both false sects that aim to destroy Islam from within, have proved to have a links with Zionism. South Africa has always been an ideal ground for Zionism as well. Muslims are advised to study these false movements so that they will reach a clearer picture of the conspiracy schemes against Arabs and Muslims which seek to eliminate and exterminate them. It is stated in the Holy Quran: *"O you who believe! Take not the Jews and the Christians for friends. They are friends one to another."* (5:51)
